

Healing House Newsletter

We enter into **MAY** with the promise of more love, peace and stability - the month of connection, opportunity, hope and good fortune. It is a great time to manifest your dreams, a wonderful chance to expand and activate something you have longed for. It would be opportune to create a vision board to help you focus on what you do want.

Hello everyone,
extend a warm **Welcome** to our NEW subscribers and NEW members to the [Online Crystal Healing Courses](#)....
...and hello again to those who have been with HealingHouse for some time.

As many of you 'may' know I (and my family) have departed the shores of New Zealand and have returned to my birth country **Australia**.
I have moved to the sunny and warm Gold Coast - Queensland. It is time... The cycles of time and life's journey called me back to this land, where I continue to meet with people via zoom.

I feel grounded and reconnected to this large island where it takes days to travel from one coast to the other. The center of this expansive land - Uluru & Kata Tjuta hold the Earth Chakra for the planet. A place I have visited many times and will again to continue my Soul journey.

I will be returning to NZ a couple of times this year to visit and will be available for in person sessions at Beyond the Veil in Ellerslie. I will let you and some of you have already 'booked' a time with me when it happens.

This year I will also be offering online meditations and Light Language Activation workshops so keep an eye out for these via these newsletters and on my [Facebook Page](#) and my [website](#) in the workshop section.

A **Women's Wellness Retreat in Queensland** is being crafted and designed - I will be very excited to offer this 4-day retreat with the amazing energies of this land and healing and connection if offers.

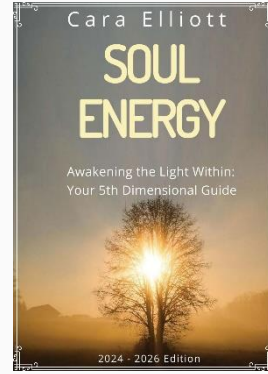

I will also be planning a Retreat to Uluru and Kata Tjuta, this is a retreat you will not want to miss. More to come....
